

I need to see a doctor:

Top Tips for Accessing Your GP Practice

Use the QR Code to access our publication and discover how to make the most of services at your GP Practice.

To scan a QR code:

- **Open the camera on your phone or tablet**
- **Focus the camera on the QR code**
- **Gently tap the yellow box that appears on your screen**
- **This will take you to the relevant website for more information**
