

Spotlight Award Nominations – Recognising Outstanding Contributions Across South Tees

The Spotlight Award is an opportunity to acknowledge individuals, teams, or organisations across South Tees who have made a significant and positive impact within health, social care, or the wider community. This recognition is open to anyone whose efforts have contributed meaningfully to the wellbeing and support of others.

From frontline workers and volunteers to behind-the-scenes heroes, **anyone can be nominated**—and you can do it **at any time**. If their actions have inspired, supported, or improved the lives of others, we want to hear about them!

We encourage you to help us celebrate those whose dedication and service deserve to be recognised and appreciated.

Let's give our local champions the recognition they truly deserve!

✦ How to nominate:

You can submit a nomination by contacting us directly or by completing the simple nomination form below.

✉ healthwatchsouthtees@pcp.uk.net

📞 0800 1181691

📱 07451288789
